Currahee Club near Toccoa selects builders

Currahee Club near Toccoa has announced its preferred builder team, including Bainbridge Homes, BenchCraft Development, Tallulah Construction Services, and HomeSouth Properties. Aside from recognizing the community's unique advantage as the only luxury gated golf community on Lake Hartwell, the builders mentioned another attraction was having the opportunity to work with the Whitley Development Group.

Bainbridge Homes is a

family-run business, recognized for superior service and a personalized, "hands-on" approach to construction from beginning to end. The company has earned several Professionalism Awards from the Greater Atlanta Home Builders Association, including three Gold Awards – the highest honor in the housing industry.

A builder at Currahee since the community's inception in 2003, BenchCraft Development uses a high level of aesthetic integrity

along with the highest quality materials. The company works closely with each homeowner to make sure they understand the construction process. Tallulah Construction Services offers customized architecture and design for Currahee members, unique to their needs and preferences.

HomeSouth Properties takes pride in its long-standing relationships with clients, subcontractors and suppliers. The company's mantra of exceeding expecta-

tions through an uncompromising commitment to quality and service makes them a perfect fit with Currahee Club. "Selecting these first-rate builders was paramount in our quest to provide Currahee Club members with the utmost in quality craftsmanship," said Chris Whitley, partner with Currahee Club. "They have achieved a style reminiscent of traditional mountain and lake homes, highlighting the breathtaking landscape on which the homes sit," he con-

tinued.

Upon completion, the 1,200-acre community will feature 800 homes. Currahee plans to add several additional builders to the team.

Currahee Club, a golf, lake and mountain community, is located just 90 minutes from Atlanta and 60 minutes from Greenville, SC, off of Highway 17 in Toccoa, GA.
